

RAYLEIGH WATERWORKS DISTRICT

BY-LAW NUMBER 155

A Bylaw for fixing connection charges payable to the District and the time of payment thereof.

The Trustees of the Raleigh Waterworks District ENACT AS FOLLOWS:

1. **Definition:**
Service Connection – means the pipeline installation from the District’s main to the property line of the property to be served, when such property line coincides with the established road allowance.
2. There shall be payable to the District by every owner of lands or premises desiring connection to the proposed works of the District, a connection charge of one thousand, five hundred dollars (\$1,500.00) when such application is made. This connection charge shall be payable when application is made for the said connection.
3. When application is made for connection to the District’s works by an owner within subdivided lands and the water works including connections to the property line within such subdivided lands were installed by the subdivider at no cost to the District, a connection fee of three hundred dollars (\$300.00) shall be payable to the District. Such a foresaid charge will be payable when application is made for the said connection.
4. Application for connection to the proposed works of the District shall be deemed to be an undertaking that the owner will avail himself of the use of the waterworks of the District and will pay such tolls for the use of the said works as may be fixed from time to time in the District’s bylaws.
5. This bylaw may be cited as the “Connection Charge Bylaw”.
6. This bylaw repeals Bylaw No. 111
