

RAYLEIGH WATERWORKS DISTRICT

BY-LAW NUMBER 198

A Bylaw for fixing connection charges payable to the District and the time of payment thereof.

The Trustees of the Raleigh Waterworks District ENACT AS FOLLOWS:

1. Definition:
Service Connection – means the pipeline installation from the District’s main to the property line of the property to be served, when such property line coincides with the established road allowance.

Cost-Plus Service Connection-means the cost of the installation of pipeline from the District’s main to the property line of the property to be served as well as any additional costs for labour, materials, permits, asphalt, contractors, engineers and any other items required to install the service connection, plus an inspection fee.
2. Application for Water
 - a) Application for water must be made in writing to the improvement district, delivered to the Officer, and must be in such form as the Trustees may, from time to time, prescribe, and must be signed by the applicant who must be the owner or an authorized agent of the owner of the property in respect of which application for water is made.
 - b) Each application for water must be accompanied by the prescribed charges as set in this bylaw.
 - c) No water will be supplied upon any application until all fees and charges for water connection, meter installation or other monies required by the improvement district to be paid have been paid in full.
 - d) Each application must contain the name of the owner, the legal description of the land parcel, specific details of the type and extent of the development to be served, and the type of water service required.
3. Connection Charge
Every applicant for a connection to the works must pay to the improvement district the total cost of labour, materials, permits and any other items required to install the service connection, plus an administration charge of Fifty Dollars (\$50.00).
4. The Trustees may, subject to the prior payment of the above charges, require the property owner or his representative to carry out the installation of the service connection or any part thereof, subject to the standards set for the improvement district.

5. The minimum deposit to be made at the time of application for the connection is Two Thousand Dollars (\$2000.00).
6. Where the cost of labour and material expended by the improvement district in installing the connection exceeds the minimum deposit against actual cost as set out above, the improvement district will recover the balance to be paid forthwith after the installation of the service connection, and the water will not be turned on until this balance is paid in full.
7. Where the cost of labour and materials expended by the improvement district in installing the connection is less than the minimum deposit against actual cost as set out above, the improvement district will refund the balance to the applicant as soon as practical.
8. When the application is made for connection to the District's works by an owner of lands, premises desiring connection and the water works including connection to the property line were installed by the property owner at no cost to the District, an inspection fee of three hundred dollars (\$300.00) shall be payable to the District. Such foresaid charge will be payable when the application is made for the said connection.
9. Application for connection to the proposed works of the District shall be deemed to be an undertaking that the owner will avail himself of the use of the waterworks of the District and will pay such tolls for the use of the said works as may be fixed from time to time in the District's bylaws.
10. This bylaw may be cited as the "Connection Charge Bylaw".
11. This bylaw repeals Bylaw No. 155.

INTRODUCED and given first reading by the Trustees on the 12th day of February, 2019.

RECONSIDERED and finally passed by the Trustees on the 12th day of February 2019.
